INVITATION

The Osteuropa-Institut Regensburg (OEI) is a regional studies center at the University of Regensburg focusing on emerging east European economies in a global perspective.

Situated south of Munich on Lake Starnberg, the Akademie für Politische Bildung Tutzing (APB, Academy for Civic Education) has a reputation for organizing conferences and workshops in various fields of the social sciences.

In order to foster the exchange of ideas and networking among scholars, the OEI and the APB launched a series of annual Summer Academies. Impressions from the first and second event – including a detailed program – can be viewed at: http://www.osteuropa-institut.de/summer-academy-2009.html and http://www.osteuropa-institut.de/summer-academy-2010.html.
